I'm out for the weekend (Da do do daaa)  
With nothing to do  
I'm missing the good times, what about you  
Now we could be lovers  
Now we could be friends  
Now we could do anything we can pretend

Once upon a time  
Don't you know that I was wrong and you were right

Something's coming over me  
Changed my mind know I can see  
You're my hope for the future  
Girl you know we've come so far  
Don't let go and break my heart  
You're my hope for the future

Back there in high school  
Foolish and free  
I never realised how sweet it could be

Once upon a time  
Don't you know that I was wrong and you were right

Something's coming over me  
Changed my mind now I can see  
You're my hope for the future  
Girl you know we've come so far  
Don't let go and break my heart  
You're my hope for the future
