Come join the party, come on get up off your seat  
Doesn't matter who you are we all dance to the same  
beat  
Come put your hands together, shake your little feet  
Way-e-ayio (way-e-ayio)

Buenos tiempo - with these friends of mine  
Buenos tiempo - we have good times  
Buenos tiempo - it can't get no higher  
Buenos tiempo - thru' the streets of fire

And once you've started up you're gonna dance until  
you drop  
It's a feel good thing - it's an S Club thing  
And when the rhythm hits you you'll never wanna stop  
It's a feel good thing - It's an S Club thing

Oh-oh-oh-oh, oh-oh-oh-oh, oh-oh-oh-oh  
It's a feel good thing

Now you're in the party mood, there's no turning back  
Just let yourself go and you'll be on the right track  
Every boy and every girl, holding hands around the  
world

Away-io (way-e-ayio)

Buenos tiempo - with these friends of mine  
Buenos tiempo - we have good times  
Buenos tiempo - it can't get no higher  
Buenos tiempo - thru' the streets of fire

And once you've started up you're gonna dance until  
you drop  
It's a feel good thing - it's an S Club thing  
And when the rhythm hits you you'll never wanna stop  
It's a feel good thing - It's an S Club thing

Oh-oh-oh-oh, oh-oh-oh-oh, oh-oh-oh-oh  
Thru' the streets of fire

And once you've started up you're gonna dance until

you drop  
It's a feel good thing - it's an S Club thing  
And when the rhythm hits you you'll never wanna stop  
It's a feel good thing - It's an S Club thing
