Love train, waiting for the love train
Love train, waiting for the love train

Been working so hard for so long
I think it's time I should be moving then on
I'm gonna do the right thing
I'm gonna do the right thing
You know that it's the best thing
I've got myself a one way ticket and I'm comin' home

Riding on a love train
Making my way back to you baby
Riding on a love train
Cruising my way back to my baby's arms
Riding on a love train
Making my way back to you baby
Riding on a love train
Cruising my way back where my baby's arms
Are waiting for me

Don't stop, keep moving, I don't want to get off, no no
no
Did I reach my baby in the tunnel of love?
I'm gonna do the right thing
I know that it's the right thing
Ooh, you make my heart sing
I've got myself a one way ticket and I'm coming home

Riding on a love train
Making my way back to you baby
Riding on a love train
Cruising my way back to my baby's arms
Riding on a love train
Making my way back to you baby
Riding on a love train
Cruising my way back where my baby's arms
Are waiting for me

Love train, waiting for the love train
Love train, waiting for the love train
Love train, waiting for the love train
Love train, waiting for the love train

Love train
Making my way back to you baby
Riding on a love train
Cruising my way back to my baby's arms
Riding on a love train
Making my way back to you baby
Riding on a love train
Cruising my way back to my baby's arms

Riding on a love train
Making my way back to you baby
Riding on a love train
Cruising my way back to my baby's arms
Love train
