Everybody's got something
They had to leave behind
One regret from yesterday
That just seems to grow with time

There's no use looking back or wondering
How it could be now or might have been
All this I know but still I can't find ways
To let you go

CHORUS

I never had a dream come true
Till the day that I found you
Even though I pretend that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be with you

Somewhere in my memory
I've lost all sense of time
And tomorrow can never be
Cause yesterday is all that fills my mind

There's no use looking back or wondering
How it should be now or might have been
All this I know but still I can't find ways
To let you go

CHORUS

I never had a dream come true
Till the day that I found you
Even though I pretend that I moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be...

You'll always be the dream
That fills my head

Yes you will, say you will, you know you will
Oh baby
You'll always be the one I know
I'll never forget

There's no use looking back or wondering
Because love is a strange and funny thing
No matter how I try and try
I just can't say goodbye...

No no no no

CHORUS

I never had a dream come true
Till the day that I found you
Even though I pretend that I've moved on
You'll always be my baby
I never found the words to say
You're the one I think about each day
And I know no matter where life takes me to
A part of me will always be...
A part of me will always be...
With you...
