"Reach For The Stars"

When the world leaves you feeling blue, You can count
on me, I will be there for you.

When it seems all your hopes and dreams, Are a million
miles away, I will reassure you.

We've got to all stick together, Good friends are there
for each other, Never ever forget that I've got you and
you got me, so...

Reach for the stars, Climb every mountain higher. Reach
for the stars, Follow your heart's desire, Reach for the
stars, And when that rainbow's shining over you, That's
when your dreams will all come true.

Don't believe in all that you've been told, The sky's the
limit you can reach your goals. No one knows just what
the future holds, There ain't nothing you can't
be, There's a whole world at your feet.

I said reach! Climb every mountain Reach! Reach for the
moon, Reach! Follow that rainbow, And your dreams will
all come true.

Reach for the stars, Climb every mountain higher. Reach
for the stars, Follow your heart's desire, Reach for the
stars, And when that rainbow's shining over you, That's
when your dreams will all come true.
