In the years to come
Will you think about these moments that we shared
In the years to come
Are you gonna think it over
And how we lived each day with no regrets

Nothing lasts forever though we want it to
The road ahead holds different dreams for me and
you

Sometimes goodbye though it hurts
In your heart is the only way for this to be
Sometimes goodbye though it hurts
Is the only way now for you and me
Though it's the hardest thing to say
I miss your love in every way
So say goodbye
But don't you cry
'Cause true love never dies

In a year from now
Maybe there'll be things we wished we never said
In a year from now
Maybe we'll see each other
Standing on the same street corner
No regrets
Each and every end is always written in the stars
If only i could stop the world i'd make this last

Sometimes goodbye though it hurts
In your heart is the only way for this to be
Sometimes goodbye though it hurts
Is the only way now for you and me
Though it's the hardest thing to say
I miss your love in every way
So say goodbye
But don't you cry
'Cause true love never dies

And when you need my arms to run into
I'll run for you

Nothing will ever change the way i feel

Sometimes goodbye though it hurts
In your heart is the only way for this to be
Sometimes goodbye though it hurts
Is the only way now for you and me
Though it's the hardest thing to say
I'll miss your love every day
So say goodbye
But don't you cry
Because a true love never dies
