In the years to come  
Will you think about these moments that we shared?  
In the years to come  
Are you gonna think it over  
And how we lived each day with no regret  
Nothing lasts forever though you want it to  
The road ahead holds different dreams for me and  
you

Chorus:

Sometimes goodbye  
though it hurts in your heart  
is the only way for destiny  
sometimes goodbye  
though it hurts is the only way now for you and me  
Though its the hardest thing to say  
Ill miss your love in every way  
So say goodbye  
But dont you cry  
cause true love never dies

In a year from now  
Maybe therell be things  
Well wish wed never said  
In a year from now  
Maybe well see each other  
standing on the same street corner  
no regrets  
Each and every end is always written in the stars  
If only I could stop the world  
Id make this last

Chorus:

Sometimes goodbye  
though it hurts in your heart  
is the only way for destiny  
sometimes goodbye  
though it hurts is the only way now  
for you and me  
Though its the hardest thing to say  
Ill miss your love in every way  
So say goodbye  
but dont you cry

cause true love never dies

And when you need my arms to run into  
Ill come for you  
Nothing will ever change the way I feel

Chorus:

Sometimes goodbye  
though it hurts in your heart  
is the only way for destiny  
sometimes goodbye  
though it hurts is the only way now  
for you and me  
Though its the hardest thing to say  
Ill miss your love in every way  
So say goodbye  
but dont you cry  
cause true love never dies
