yeah, in the to come,  
will you think about these moments that we shared?  
in the years to come  
are you gonna think it over  
and we lived each day with no regret?

nothing last forever though we want it to,  
the roads ahead holds different dreams for me and  
you

sometimes goodbye, though it hurts in your heart  
is the only way for destiny  
sometimes goodbye, though it hurts  
is the only way now for you and me

though its the hardest thing to say  
i'll miss your love in every way  
so say goodbye but don't you cry  
'cause true love never dies

in a year from now, maybe there'll be things  
we'll wished we'd never said  
maybe in a year from now, maybe we'll see each other  
standing on the same street corner though it rains  
each and every end is always written in the stars

if only i could stop the world, i'd make this last

sometimes goodbye, though it hurts in your heart  
is the only way for destiny  
sometimes goodbye, though it hurts  
is the only way now for you and me

though its the hardest thing to say  
i'll miss your love in every way  
so say goodbye  
so say goodbye  
but don't you cry, 'cause true love will never dies

and when you need my arms to run into  
i'll comfort u, nothing will ever change the way i feel

sometimes goodbye, though it hurts in your heart  
is the only way for destiny  
sometimes goodbye, though it hurts  
is the only way now for you and me

though its the hardest thing to say  
i'll miss yor love in every way  
so say goodbye  
but don't you cry 'cause true love will never dies
