In the years to come  
Will you think about these moments that we shared  
In the years to come  
Are you gonna think it over and  
How we lived each day with no regrets

Nothing lasts forever though we want it to  
The road ahead holds different dreams for me and  
you

Sometimes goodbye, though it hurts in your heart  
Is the only way for destiny  
Sometimes goodbye, though it hurts is the only way  
now  
For you and me  
Though its the hardest thing to say  
I'll miss your love every way

So say goodbye  
But don't you cry  
Cos true love never dies

In a year from now  
Maybe there'll be things we'll wish we'd never said  
In a year from now  
Maybe we'll see each other standing on the same  
street corner  
No regrets

Each and every head is always written in the stars  
If only I can stop the world and make this last

Sometimes goodbye, though it hurts in your heart  
Is the only way for destiny  
Sometimes goodbye, though it hurts is the only way  
now  
For you and me  
Though its the hardest thing to say  
I'll miss your love every way

So say goodbye

But don't you cry  
Cos true love never dies

And when you need my arms to run into  
I'll comfort you  
Nothing will ever change the way I feel

Sometimes goodbye, though it hurts in your heart  
Is the only way for destiny  
Sometimes goodbye, though it hurts is the only way  
now  
For you and me  
Though its the hardest thing to say  
I'll miss your love everyday

So say goodbye  
But don't you cry  
Cos a true love never dies
