Stronger
Stronger
Stronger
Now now
What a feeling
You're the reason
Can't conceive it
You can't beat it
You are viable
To my survival
Come and skydive
Into my life

We're inseparable
No one is acceptable (but you)
Our love's indestructable
Our bond is unbreakable (that's true)

Let the feeling take control
Now that I've got you baby
Now that I've got you baby
I'm feeling stronger
Now that I've got you baby
Now that I've got you baby
I'm feeling stronger

All stand up
Stand up
Stand up
Now
All stand up
Let the music take ya

Expectations
No relation
Superstition
No addictions

You're outrageous
But contagious
I'm the the viva
That won't leave ya

Now we're inseparable
No one is acceptable (but you)
Our love's indestructable

Our bond is unbreakable (that's true)

Let the feeling take control

Now that I've got you baby
Now that I've got you baby
I'm feeling stronger
Now that I've got you baby
Now that I've got you baby
I'm feeling stronger

All stand up
Stand up
Stand up
Now
All stand up
Stand up
Stand up
All stand up
Stand up
Stand up
Now
All stand up
Stand up
Stand up
All stand up
Stand up
Stand up
Now
All stand up
Let the music take ya (Oh yeah)

Now that I've got you baby
Now that I've got you baby
I'm feeling stronger
Now that I've got you baby
Now that I've got you baby
I'm feeling stronger

Now that I've got you baby
Now that I've got you baby
I'm feeling stronger

Now that I've got you baby
Now that I've got you baby
I'm feeling stronger

[Repeat chorus until fade]
