Oh yeah,  
Uh,  
Oh yeah, oh yeah, oh yeah

Get ready for the time of our lives  
Gotta make heads turn yeah, we've gotta luck tight  
Turn up the music get into the mood  
And together we'll break all the right moves  
No there in no there out  
We gonna turn it out  
Anyone who doesn't play better get out of my wa

'Cause it's just the two of us (just the two of us)  
You'll be there for me  
I'll be there for you (for you)  
It's just the two of us (it's the two of us)  
Good time guarantee  
You and me is all in me

Tell me now  
If you ready I reset  
Set to make even night  
That we'll never forget (never forget)  
'Cause been I'm leaven 'til the sun comes up

No one says its over 'til it had enough  
No there in no there out  
We gonna turn it out  
Anyone who doesn't play better get out of my way

'Cause it's just the two of us (is just the two of us)  
You'll be there for me (I'll be there)  
I'll be there for you (for you)  
It's just the two of us (is just the two of us)  
Good time guarantee  
You and me is all in me  
One of me is a part of you  
One and a wonder the perfect two

'Cause it's just the two of us  
You'll be there for me  
I'll be there for you

It's just the two of us (it's just the two of us)  
Good time guarantee  
You and me is all in me  
*[Chorus to fade]*
