Whole lotta nothing  
Oh yeah yeah

Take me on a spin  
Do your thing  
But you can't get in  
No no  
Ain't about to give it all up  
Just because you pull up in your drop-top  
Gotta do it right  
Boy you're moving too fast, rewind  
Oh oh  
If you wanna slip in my bed  
Then you want what you can't get

I know you got it  
And you're coming back to mine  
Just forget it  
Don't go wasting my time

You gotta be a man who's there for me  
Somebody who will always care for me  
No doubt in what you've gotta do  
No class, no pass  
No room for you  
If you wanna be my mr. right  
You've gotta know what I need tonight  
Be mine, can't be no other way  
No creep, no peep  
And a whole lotta nothing

Take me on a cruise  
Give me something that I can't refuse  
Uh oh  
Takes more than a good time  
To let you know that you're my kind

I know you got it  
And you're coming back to mine  
Just forget it  
Don't go wasting my time

You gotta be a man who's there for me  
Somebody who will always care for me  
No doubt in what you've gotta do  
No class, no pass  
No room for you  
If you wanna be my mr. right  
You've gotta know what I need tonight  
Be mine, can't be no other way  
No creep, no peep  
And a whole lotta nothing

No creep, no peep  
No creep, no peep  
No creep, no peep  
And a whole lotta nothing

Don't go wasting my time

You gotta be a man who's there for me  
Somebody who will always care for me  
No doubt in what you've gotta do  
No class, no pass  
No room for you  
If you wanna be my mr. right  
You've gotta know what I need tonight  
Be mine, can't be no other way  
No creep, no peep  
And a whole lotta nothing

You gotta be a man who's there for me  
Somebody who will always care for me  
No doubt in what you've gotta do  
No class, no pass  
No room for you  
If you wanna be my mr. right  
You've gotta know what I need tonight  
Be mine, can't be no other way  
No creep, no peep  
And a whole lotta nothing

Don't go wasting my time

You gotta be a man who's there for me  
Somebody who will always care for me  
No doubt in what you've gotta do  
No class, no pass  
No room for you  
If you wanna be my mr. right  
You've gotta know what I need tonight  
Be mine, can't be no other way  
No creep, no peep

And a whole lotta nothing
