YOU ARE EVERYTHING

You are everything

Today I saw somebody
Who looked just like you
He walked like you do
I thought it was you
As he turned the corner
I called out your name
I felt so ashamed
When it wasn't you
Wasn't you

You are everything
And everything is you
Oh, you are everything
And everything is you
Oh you are everything
And everything is you
Oh baby

How can I forget
When each face that I see
Brings back memories
Of being with you
Oh darling I just can't go on
Living life as I do
Comparing each girl with you
Knowing they just won't do
They're not you
No, no, baby

You are everything
And everything is you
Oh, you are everything
And everything is you
Oh you are everything
And everything is you

For you're everything to me
Don't you know you're everything to me Oh

You're everything
Everything to me
