What is love, cos baby I don't know

I gotta funny feeling in my heart

If this is love it feels like butterflies

So baby tell me is this how it starts

You know I never felt like this before

You're like a drug you got me wanting more

I gotta let you know

I gotta let you know

Your, you're my number one

I'd do anything for you

Catch the rain from the sky

Even hold back the time for you

Baby Baby

Your, you're my number one

With you I know I belong

I out the radio on and its always playing our song

Tell me what, what have I gotta do

Cos I wanna lay claim on you

T make you mine for now and forward time

So baby tell me what I gotta do yeah

You know I never felt like this before

You're like a drug you got me wanting more

I gotta let you know

I gotta let you know

Your, you're my number one

I'd do anything for you

Catch the rain from the sky

Even hold back the time for you

Baby Baby

There ain't nothin' I won't do

I'd walk on water just to be with you

Ahh, Baby Baby

You are, You are, You're my number one

I'd do anything for you

Catch the rain from the sky

Even hold back the time for you
