What is love - Cos baby I don't know  
I got a funny feeling in my heart  
If this is love - it feels like butterflies  
So tell me baby is this how it starts

I know I've never felt like this before  
You're like a drug you got me wanting more  
I've got to let you know - I've got to let you know...

You're - You're my number one/I'd do anything for you  
Catch the rain from the sky/Even hold back the tide for  
you  
Baby, baby, you're, you're my number one/With you i  
know I belong  
I put the radio on and its always playing our song...

Tell me what - what I have gotta do  
Cos I wanna lay a claim on you baby  
To make you mine - for now and for all the time  
So tell me baby what i gotta do

I know I've never felt like this before  
You're like a drug you got me wanting more  
I've got to let you know- I've got to let you know...

You're - You're my number one/I'd do anything for you  
Catch the rain from the sky/Even hold back the tide for  
you  
Baby, baby, you're, you're my number one/With you i  
know I belong  
I put the radio on and its always playing our song...

And there ain't nothing I wont do  
I'd walk on water just to be with you...

Baby, baby

You're - You're my number one/I'd do anything for you  
Catch the rain from the sky/Even hold back the tide for  
you  
Baby, baby, you're, you're my number one/With you i

know I belong

I put the radio on and its always playing our song
