What is love, cause baby I don't know.
I got a funny feeling in my heart.
If this is love, it feels like butterflies.
So tell me baby is this how it starts.

I know I've never felt like this before,
You're like a drug you've got me wanting more,
I've got to let you know, I've got to let you know.

Chorus: (You're) You're my number one,
I'd do anything for you,
Catch the rain from the sky,
Even hold back the tide for you. Baby, baby.
(You're) You're my number one,
With you I know belong,
I put the radio on,
And it's always playing our song.

Tell me what, what have I got to do.
Cause I want to lay a claim on you.
To make you mine, for now and for all time,
So tell me baby what I gotta do.

I know I've never felt like this before,
You're like a drug you've got me wanting more,
I've got to let you know, I've got to let you know.

Chorus

There ain't nothing I won't do,
I'd walk on water just to be with you.

Chorus to fade
