"Found In You"

I know that I am not my own
You paid the price that I should owe
Without Your grace, I'm nothing
Even before the world began
You chose to love me as I am
Without Your grace, I'm nothing

I'm found in You
Wherever I go Your love surrounds me
I'm found in You
Every day I feel You holding
On to my heart,
All my fears fade away
I'm found in You
I'm found in You

Speak and my heart is satisfied
Breathe and these bones will come to life
Without Your grace, I'm nothing
And when I run away so far
You call me back to where You are
Without Your grace I'm nothing

I'm found in You
Wherever I go Your love surrounds me
I'm found in You
Every day I feel You holding
On to my heart,
All my fears fade away
I'm found in You
I'm found in You

I once was lost but You reached out
I once was lost but now

I'm found in You
Wherever I go Your love surrounds me
I'm found in You
Every day I feel You holding
On to my heart,
All my fears fade away

I'm found in You
I'm found in You
