Something has changed, I can see it in your eyes  
Something is different between you and I  
They're playing that song again on the radio

Tell me your story, I really wanna know  
Give me a feeling, start to let it show  
I'm sick of the lies, I just want to say hello

All at once I just knew that you were feeling just as I do  
And the sparks between us look just like the 4th of July

Let's make some plans, take a trip to Mexico  
Don't wanna share you, never wanna let you go  
They're playing that song again on the radio

All at once I just knew that you were feeling just as I do  
And the sparks between us look just like the 4th of July

[whistling]

All at once I just knew that you were feeling just as I do  
And the sparks between us look just like the 4th of July

[vocalizing]

The 4th of July..
