Again and again, and again, and again  
Do it again, do it again

Again and again

It's a shame, it's a shame, it's a perfect shame  
Creep under my door and we do it again  
O u oh ..

It's so easy, and easy, and easy, and easy  
And creepy, and creepy, and creepy, and creepy, oh  
Again, again, again

Again and again, and again, and again  
Do it again, do it again

Again and again, and again, and again  
Do it again, do it again

Again and again

Say my name, say my name, say my stupid name  
It's stupid how we always seem to do it again  
O u oh ..

You're so stupid and perfect, and stupid, and perfect  
I hate you, I want you, I hate you, I hate you, oh  
Again, again, again

Again and again, and again, and again  
Do it again, do it again

Again and again, and again, and again  
Do it again, do it again

Again and again

La la la  
La la la  
La la la  
La la

La la  
La la  
La la la

Again and again, and again, and again  
Do it again, do it again

Again and again, and again, and again  
Do it again, do it again

Again and again, and again, and again  
Do it again, do it again

Again and again, and again, and again  
Do it again, do it again

Again and again, and again, and again  
Do it again, do it again

Again and again
