Ah, Ah

Who knows your birthday?
Who knows your number?
Who knows your color?
Who knows your hands?
Who knows the sum?
the sum of all your parts

Who knows your limit?
Who knows your highest?
Who knows your lowest?
Who knows your end?
Who knows the bottom?
The bottom of your heart.

Hold on, hold on, keep holding on to me
I will love you from the bottom, no one holds you better
than me
Hold on, hold on, doin the best we can
I will love you on your birthday, I will love you better
than them
Ooh

Who knows the reason?
Who knows the cure?
Who knows the answer?
Who knows the cause?
Who knows the pain?
The pain when we're apart.

Hold on, hold on, keep holding on to me
I will love you from the bottom, no one holds you better
than me
Hold on, hold on, doin the best we can
I will love you on your birthday, I will love you better
than them

Hold on, hold on, keep holding on to me
I will love you from the bottom, no one holds you better
than me

hold on, hold on, doin the best we can
I will love you on your birthday, I will love you better
than them
Ooh
