There is something wrong
And there is something right
When you can take me by the hands
And I will close my eyes
When you laid down with me
You took the other side
When you laid down with me
You never slept that night

Are you working up to something?
But you give me almost nothing
Keep me helpless up to something
On my knees

Would you ever be my,
Would you be my f*cking boyfriend?

Would you ever be my,
Would you be my f*cking boyfriend?

Are you an amateur
Or is it you're unkind
To torture all the other girls
You keep me by your side
Are you unsatisfied?
You can't make up your mind
When you can take me by the hands
And I will close my eyes

Are you working up to something?
But you give me almost nothing
Keep me helpless up to something
On my knees

Would you ever be my,
Would you be my f*cking boyfriend?

Would you ever be my,
Would you be my f*cking boyfriend?

I would be so winning

So absolutely winning
A guarantee in melody
A promise in the sky

Would you ever be my,
Would you be my f*cking boyfriend?

Would you ever be my,
Would you be my f*cking boyfriend?

Would you ever be my,
Would you be my f*cking boyfriend?

There is something wrong
And there is something right
When you can take me by the hands
And I will close my eyes
When you lay down with me
You take the other side
When you laid down with me
You never slept that night

Would you ever be my,
Would you be my f*cking boyfriend?
