I heard a spark  
something that glowed  
hundred feet higher

I open my eyes  
when there is light  
to see if I'm closer

what if I stopped  
just for a while  
to make it go slower

still up the night  
just for a while  
to see if I'm finer  
live like I'm finer

tell me your tale  
something with fire  
to break from the sorrow

to break through the doors  
piles of earth  
to see where the sun goes

what if I stopped  
just for a while  
to see if I'm closer

still up the night  
just for a while  
to see where the sun goes

oooooooo  
oooooooo

I heard a spark  
something that glowed  
hundred feet higher

i open my eyes

when there is light  
to see if I'm closer

what if I stopped  
just for a while  
to see where the sun goes

still up the night  
just for a while  
to see if I'm finer  
live like I'm fine
