if you want my love,
come and get it girl
and if you want me for a toy,
do i have the choice? (i don't know)
and if you want my love,
come and get it boy
and if you want to be my friend
through thick and thin
you can fill in, that's no sin
having big fun

cause i'm gonna love you,
each and every day
no more work, just a lot of play
having big fun, under
the sun, because

i'm gonna love you,
each and every day
no matter what people have to say
having big fun, under the sun

ooh i love you, oh baby
ooh i love you
so let's have some fun

cause i love you and you love me
let's get together and have big fun
just you and me, just you and me

yeah yeah
i'm gonna love you
each and every day,
i'm gonna love you
each and every way,
having big fun, under the sun
say you love me, say you need me
say you want me, say you need me
say you want me, say you need me
say you love me, say you need me
big, good, hot creee-ooooole

i'm gonna love you,
i'm gonna need you
gonna have big fun
i'm gonna love you
i'm gonna need you
gonna have big fun
