Verse 1

I can't offer you a lifeline
But I will catch you when you fall
I can't guarantee the future
I can't promise much at all

When I'm trying hard to sleep
You lift me up

Chorus

If I confess what I feel
Would you stay?
Would you hold me?
Cause I get a little scared
To reveal all the secrets inside me
As long as the skies are blue
I'll be drawn to you

Verse 2

I can't stop the world from turning
I can't say what's right for you
But I can offer you some good times
Maybe we can see this through

When I'm trying hard to sleep
You make me smile

Chorus

If I confess what I feel
Would you stay?
Would you hold me?
Cause I get a little scared
To reveal all the secrets inside me
As long as the skies are blue
(As long as skies are blue)
I'll be drawn to you

Bridge

Don't want no compromise
Don't want no games
I just want you to stay with me, baby
I just want you to stay

Chorus

If I confess what I feel
Would you stay?
Would you hold me?
Cause I get a little scared
To reveal all the secrets inside me
As long as the skies are blue
I'll be drawn to you

As long as the skies are blue
I'll be drawn to you
