I don't wanna  
(No, no, no, no)  
Never gonna be-e-e  
A fool no more

Never thought I'd see the day  
You'd play me,  
But you're the kind of guy  
Who likes to get along

So caught up in your cheatin' world  
With diamond studied rings and pearls  
Now you can't deny it  
And I won't be the fool no more

Don't you tell me,  
I'm the only one  
Coz something tells me  
There's another one  
Who calls you baby  
Not the kinda girl to take so lightly  
I don't wanna be a fool no more  
Never gonna be a fool no more

All the times you said to me  
I'll be there  
But you're the kinda boy  
Whose time is nearly done

So caught up in your cheatin' world  
With diamond studied rings and pearls  
Now you can't deny it  
And I won't be the fool no more

Don't you tell me,  
I'm the only one  
Coz something tells me  
There's another one  
Who calls you baby  
Not the kinda girl to take so lightly  
I don't wanna be a fool no more  
Never gonna be a fool no more

I don't wanna (ahhhhhhh)  
Never gonna be (a fool a fool a fool)  
No more

Don't you tell me,  
I'm the only one  
Coz something tells me  
There's another one  
Who calls you baby  
Not the kinda girl to take so lightly  
I don't wanna be a fool no more  
Never gonna be a fool no more

Don't you tell me,  
I'm the only one  
Coz something tells me  
There's another one  
Who calls you baby  
Not the kinda girl to take so lightly  
I don't wanna be a fool no more  
Never gonna be a fool no more

Don't you tell me  
I don't wanna be a fool  
There's another one  
Who calls you baby  
I don't wanna  
I don't wanna be a fool no more  
I don't wanna
