Here we go, come on get the party started,  
come on get the party started, get the party started,  
S Club Juniors

Give it up, get it on, sing along, come on, I say here we  
go>br>

All my friends together, havin' a party under one roof  
You can bring your best friend, you can do what you  
wanna do

And we'll all have good times, we can dance through  
the night

We can sing till it's light, I say here we go

Give it up, get it on, sing along

Come on, I say here we go

Stand in line, clap in time, everyone catch the vibe

Come on, I say here we go, here we go

Here we go-oh, here we go-oh, here we go-oooh

And now the music's getting louder, everyone's  
jumping to the beat

And when the rhythm hits you, you just can't help but  
move your feet

And we'll all have good times, we can dance through  
the night

We can sing till it's light, I say here we go

Give it up, get it on, sing along

Come on, I say here we go

Stand in line, clap in time, everyone catch the vibe

Come on, I say here we go, here we go

Here we go-oh, here we go-oh, here we go-oooh

S Club Juniors

Here we go-oh, here we go-oh, here we go-oooh

Come on, I say here we go

Come on, I say here we go, here we go

Give it up, get it on, sing along  
Come on, I say here we go  
Stand in line, clap in time, everyone catch the vibe  
Come on, I say here we go, here we go

Come and join the party, time to catch the good vibe  
Everybody's dancing now  
I say here we go  
Come and join the party, time to catch the good vibe I  
say here we go
