Boy it's Friday night
I'm looking for a place
To go, that's right
Got one thing on my mind
I'm heading where the music
Flows lets ride...

And out on the street
You can feel the heat
A good things coming on
Just you and me gonna celebrate
A groove sensation

(Chorus)
Gonna take this love to the limit
So baby don't you stop
Lets move it all night long
Gonna dance to the rhythm
The feeling is so right

Tonight, Can't get enough

So turn the music up
Just let you body go
Lets roll tonight
Cos right here's where we belong
We're jammin in the key of life
So tight

And out on the floor
You can feel the beat
A good things coming on
Just and me
Gonna celebrate
A groove sensation

(Chorus x2)

Gonna take this love..
Boy don't you know
You got the best of me
Ain't never gonna let you go

And i can't wait gonna celebrate tonight

Alright

(Chorus to fade)
