Intro:A-a-a-a-ah

A-a-a-a-ah a-ah

A-a-a-a-ah a-ah

A-a-a-a-ah (I've been looking for a new direction)

A-a-a-a-ah (I've been looking for a new direction)

A-a-a-a-ah a-ah (I've been looking for a new direction)

A-a-a-a-ah a-ah (I've been looking for a new direction)

It seems to me

It seems to me

I cannot breath

I cannot breath

When you're around

When you're around

You leave me there

You leave me there

In the cold

In the cold

I'm lost and found

I'm lost and found

I've been lookin for a new direction

I've been lookin for a new direction

So baby know I've gotta say

So baby know I've gotta say

I've been lookin for a new connection

I've been lookin for a new connection

With someone who's gonna make me stay

With someone who's gonna make me stay

You shouldn't lie

You shouldn't lie

You shouldn't play

You shouldn't play

Gotta kill to look the other way

Gotta kill to look the other way

You shouldn't cry

You shouldn't cry

You shouldn't faint

You shouldn't faint

Just got to tell you straight before I walk away

Just got to tell you straight before I walk away

It's too late

It's too late

A-a-a-a-ah (I've been looking for a new direction)

A-a-a-a-ah (I've been looking for a new direction)

A-a-a-a-ah a-ah (I've been looking for a new direction)

A-a-a-a-ah a-ah (I've been looking for a new direction)

A-a-a-a-ah (I've been looking for a new direction)

A-a-a-a-ah (I've been looking for a new direction)

A-a-a-a-ah a-ah (I've been looking for a new direction)

A-a-a-a-ah a-ah (I've been looking for a new direction)

Needing to

Needing to

Rediscover my identity

Rediscover my identity

I'm doing fine

I'm doing fine

Baby don't feel sad for me

Baby don't feel sad for me

I've been looking for a new fixation

I've been looking for a new fixation

Someone who can stimulate my mind

Someone who can stimulate my mind

I've been looking for a new sensation

I've been looking for a new sensation

Never let you know I'm gonna find

Never let you know I'm gonna find

You shouldn't lie

You shouldn't lie

You shouldn't play

You shouldn't play

Gotta kill to look the other way

Gotta kill to look the other way

It's too late

It's too late

A-a-a-a-ah

A-a-a-a-ah

A-a-a-a-ah a-ah

A-a-a-a-ah a-ah

A-a-a-a-ah (I've been looking for a new direction)

A-a-a-a-ah (I've been looking for a new direction)

I've been looking for a new direction
I've been looking for a new direction
Gotta kill to look the other way
Gotta kill to look the other way

It's too late
It's too late
It's too late
It's too late

A-a-a-a-ah (I've been looking for a new direction)
A-a-a-a-ah (I've been looking for a new direction)
A-a-a-a-ah a-ah (I've been looking for a new direction)

A-a-a-a-ah a-ah (I've been looking for a new direction)
A-a-a-a-ah a-ah (I've been looking for a new direction)

You shouldn't lie
You shouldn't lie
You shouldn't play
You shouldn't play
Gotta kill to look the other way
Gotta kill to look the other way
You shouldn't cry
You shouldn't cry
You shouldn't let
You shouldn't let
Trying to tell you straight before I walk away
Trying to tell you straight before I walk away
