And they called it puppy love
Oh I guess they'll never know
And why I love her so

How a young heart really feels
Just because we're in our teens
And they called it puppy love
Tell them all please tell
them it isn't fair
To take away my only dream
I cry each night

My tears for you
My tears are all in vain
You'll be back in my
I hope and I pray that
maybe some day

arms once again
Someone help me
Help me please
Is the answer up above
How can I oh how can I tell them
This is not a puppy love

Someone help me
Help me please
Is the answer up above

How can I oh how can I tell them
This is not a puppy love
(This is not a puppy love - 3 times to fade)
