(Aah)

Hey I got to front you up  
Cause it looks like you need a partner on the floor  
Those flattern fix so cool  
I see you grooving can I join in for some more

Ooh, yeah you know where It's at boy  
You know It's cool you wanna hitch a ride  
Slide  
To the rythm don't turn back boy  
Make a move  
The heat is on  
The party's right here, so come on

Chorus:  
Sloop Upside  
Bring you're body can ya feel it (la la la)  
Sloop Upside  
Shake you're boogie down, and leave it  
Ooh, there's no need to ask why  
Get it on tonight  
Don't be shy  
And sloop up up upside

All the girls  
(Ooh)

You see, me watching you I know  
Kicking out the moves, like you don't even care

Ooh, yeah you know where It's at boy  
You know It's cool you wanna hitch a ride

Make a move  
The heat is on  
The party's right here, so come on  
Chorus:  
Sloop Upside  
Bring you're body can ya feel it (la la la)  
Sloop Upside  
Shake you're boogie down, and leave it
