Phirta raha main, chalta raha main kahaan  
Andhero mein bhi to dhundhe the tere nishaan  
Ye mera dil to dhunde hai tujhko yahaan  
Soya raha main, khoya raha main kahaan

Haan kahaan...

Main kaise kahunga, main jeeta rahunga  
Ye kaisi hai meri sazaa...  
Ye to vo sazaa hai, jisme tu basaa hai  
Isme bhi to hai fir mazaa...

Hoo... ooo.ooo Tere bin jiya...  
Hoo... ooo.ooo Mere saathiya...

Toote khwabo mein jo, dekha tha maine vo raasta  
Dhundha jab bhi usse, mila na mujhe vo kho gaya.

Main kaise kahunga, main jeeta rahunga  
Ye kaisi hai meri sazaa...  
Ye to vo sazaa hai, jisme tu basaa hai  
Isme bhi to hai fir mazaa...

Hoo... ooo.ooo Tere bin jiya...  
Hoo... ooo.ooo Mere saathiya...  
Hoo... ooo.ooo...
