Martians!  
They attack!  
Your wife and kids!  
So beware!

Martians!  
They attack!  
Your wife and kids!  
So beware!

I see them come  
I see them coming  
I hear the screams the people  
Running  
Just give me a light, just give me a  
Light

You better wipe that smile off your face  
You better step back, and run back, without a trace  
I see the lights, I hear the screams  
You better start running

THEY'RE COMING FOR YOU  
MATT MANNING  
THEY'RE COMING FOR YOU

I see them come  
I see them coming  
I hear the screams the people  
Running  
Just give me a light, just give me a  
Light

You gotta a plasma gun pressed against your forehead  
1, 2, 3, Zap and you're dead  
Am I going insane  
Or are there martians here?

You gotta a plasma gun pressed against your forehead  
1, 2, 3, Zap and you're dead  
Am I going insane

Or are there martians here?

You gotta a plasma gun pressed against your forehead  
1, 2, 3, Zap and you're dead  
Am I going insane  
Or are there martians here?
