When the mother wakes
And the sunshine breaks
Yeah it's the same sad feeling yeah
Cause I testify, I testify
Said the monkey to the sheep yeah come on now

Can you hold onto something real?
Can you touch and can you feel?
Yeah the ghost inside yeah the ghost inside?
Come on lets wake it up, you and me yeah
So wake from that sleep
Wake from that sleep
Alright!

Na na na na na na
Na na na na na na
Na na na na na na

We're taking cover
Under magnolia trees yeah
The fires burning
But you can't see a thing
Just wanted to say
I'm not nervous
But I'm nervous
Cause I think that I may love you

Woah is that alright?
She said to me.
I'm not going to take it,
I'm gonna take it
Alright

LETS GET IT MOVING BOYS!!!

Just shut the door
And turn of the lights
Shine the light, the light, the light
Just shut it, just shut it,
Just shut it,
AH, AH, AH, AH

Just shut it, just shut it.
Just shut it,
Just shut the door.
