[Feat. Novel]

[Muzi:]

Can you even speak
Nah, I can't even weep
Nah, my body's so cold
I've got so much to lose
Don't let me go
I can't even walk
Nah, I can't even talk
... useless
I'm making excuses, I know what the truth is
I need ya

Dear heartbeat, please don't fail me now
Ooh cause dear heartbeat, if you do I might die
Ohh dear heartbeat, please don't fail me now
Dear heartbeat, if you do I might die

[Novel:]

Now it's all broken up
Cause she shattered into pieces
Should have known what's up
Still I live with no regrets
You were my muse
Confuctional value
Now I'm in the ICU, everytime I see you

[Muzi:]

Dear heartbeat, please don't fail me now
Ooh cause dear heartbeat, if you do I might die
Ohh dear heartbeat, please don't fail me now
Dear heartbeat, if you do I might die

Don't fret, don't worry mi amor
This heartache won't trouble you anymore
My heart stopped such a long time ago
But sometimes it hurts just as bad as before

Dear heartbeat, please don't fail me now
Ooh cause dear heartbeat, if you do I might die

Ohh dear heartbeat, please don't fail me now
Dear heartbeat, if you do I might die
