Do do do do do do
Do do do do do do

I know life sometimes can spin your head around
Don't let the world get on top of you, turning you upside
down

Better days are comin'
Just remember one thing
Wherever you are near or far
You know you're never alone

Anytime, Anywhere
You can call on me and I'll be there
Someone you can rely on
Be a shoulder you can cry on
Anytime, Anywhere
You can trust in me I'm always there
To give you all my lovin'
Say the word I'll come runnin'
Anytime you need me to,
I'll be there for you

Do do do do do do
Do do do do do do

Sometimes I can't see the light though it's shining all
around
It's all right the future is bright and the walls will come
tumbling down

Better days are comin'
Just remember one thing
Wherever you are near or far
You know you're never alone

Anytime, Anywhere
You can call on me and I'll be there
Someone you can rely on

Be a shoulder you can cry on
Anytime, Anywhere

You can trust in me I'm always there
To give you all my lovin'
Say the word I'll come runnin'
Anytime you need me to,
I'll be there for you

Do do do do do do
Do do do do do do

Anytime, Anywhere
Say the word, I'll be there
I'll be your light, be your friend
I'll be there 'til the end

Anytime, Anywhere
Say the word, I'll be there
I'll be your light, be your friend
I'll be there 'til the end

Anytime, Anywhere
You can call on me and I'll be there
Someone you can rely on
Be a shoulder you can cry on
Anytime, Anywhere
You can trust in me I'm always there
To give you all my lovin'
Say the word I'll come runnin'
Anytime you need me to,
I'll be there for you

Anytime, Anywhere
Say the word, I'll be there
I'll be your light, be your friend
I'll be there 'til the end
[repeat until fade]
