Never gonna be a fool no more

Never thought i'd see the day
You'd play me
But your the kinda guy
Who likes to get along

So caught up in your cheating world
With diamond studded rings and pearls
Now you can deny it
And i won't be a fool no more

Don't you tell me
I'm the only one
Coz something tells me
There's another one who calls you baby
Not the kinda girl to take so lightly

I don't wanna be the fool no more
Never gonna be a fool no more

All the you said to me
I'll be there
Coz your the kinda boy
Who's time is nearly done
So caught up in your cheating world
With diamond studded rings and pearls
Now you can deny it
And i won't be a fool no more

Don't you tell me
I'm the only one
Coz something tells me
There's another one who calls you baby
Not the kinda girl to take so lightly

I don't wanna be a fool no more
Never gonna be a fool no more [x2]

Don't you tell me
I'm the only one
Coz something tells me

There's another one who calls you baby
Not the kinda girl to take so lightly [x3]
