(Jay)
She's not finding love,
I don't know why,

(Stacey)
If I could guess,
I think it's because she told a lie.

(Chorus)
Frankie's a poo,
A real bad poo,
Cos she's born with the flu,
And there's nothing she can do.

(Rochelle)
There was times,
That she wanted to sit(by herself),

(Daisy)
But we all know why,
(Calvin)
Cos she's just a 14 year old piece of shit.

(Chorus)
Frankie's a poo,
A real bad poo,
Cos she's born with the flu,
And there's nothing she can do.

(Bridge-Hannah)
Back then she was always late,
(Aaron)
Because she'll always be in a stupid state.

(Chorus x2)
