Aaron

I have to admit it's true
My life would drown without you
You're always around
Never make a bad sound
I'm so pleased that I found....

Chorus

A friend like you
That is always true
No matter what I do
Everything depends on you

Daisy

I was only young
And so was you
We went together like lovers
It was the way it was ment to be-o-o-oh

Chorus

Stacey

I wanna tell you somthing now
Please stay around-d-d-d-d

Jay

I wanna love you like a friend
Hope our friendship never ends
