New Direction

A-a-a-a-ah
A-a-a-a-ah a-ah
A-a-a-a-ah (I've been looking for a new direction)
A-a-a-a-ah a-ah (I've been looking for a new direction)

Frankie- It seems to me
I cannot breathe
When you're around
You leave me there
In the cold
I'm lost and found.

Stacey- I've been looking for a new direction
There's something you know I've gotta say
I've been looking for a new connection
With some one who's gonna make me stay

All-You shouldn't lie
You shouldn't play
Not the kind of girl to look the other way
You shouldn't cry
You shouldn't faint
Just gotta tell you straight before I walk away

It's too late

A-a-a-a-ah (I've been looking for a new direction)
A-a-a-a-ah a-ah (I've been looking for a new direction)
A-a-a-a-ah (I've been looking for a new direction)
A-a-a-a-ah a-ah (I've been looking for a new direction)

Frankie-Needing to
Rediscover my identity
I'm doing fine
Baby don't feel sad for me

Stacey-I've been looking for a new fixation
Someone who can stimulate my mind

I've been looking for a new sensation
Never let you know I'm gonna find

All-You shouldn't lie
You shouldn't play
Not the kind of girl to look the other way

It's too late

A-a-a-a-ah
A-a-a-a-ah a-ah
A-a-a-a-ah (I've been looking for a new direction)
A-a-a-a-ah a-ah (I've been looking for a new direction)

I've been looking for a new direction
Not the kind of girl to look the other way

It's too late
It's too late

A-a-a-a-ah (I've been looking for a new direction)
A-a-a-a-ah a-ah (I've been looking for a new direction)
A-a-a-a-ah (I've been looking for a new direction)
A-a-a-a-ah a-ah (I've been looking for a new direction)

You shouldn't lie
You shouldn't play
Not the kind of girl to look the other way
You shouldn't cry
You shouldn't faint
Just gotta tell you straight before I walk away

It's too late

A-a-a-a-ah
