I lie awake at night  
See things in black and white  
I've only got you inside my mind  
You know you have made me blind

I lie awake and pray  
That you will look my way  
I have all this longing in my heart  
I knew it right from the start

Oh my pretty pretty boy I love you  
Like I never ever loved no one before you  
Pretty pretty boy of mine  
Just tell me you love me too  
Oh my pretty pretty boy I need you  
Oh my pretty pretty boy I do  
Let me inside  
And make me stay right beside you

I used to write your name  
And put it in a frame  
And sometimes I think I hear you call  
Right through my bedroom wall  
You stay a little while  
And touch me with your smile

And what can I say to make you mine  
To reach out for you in time

Oh my pretty pretty boy I love you  
Like I never ever loved no one before  
Pretty pretty boy of mine  
Just tell me you love me too  
Oh my pretty pretty boy I need you  
Oh my pretty pretty boy I do  
Let me inside  
And make me stay right beside you

Oh pretty boy  
Say you love me too

Oh my pretty pretty boy I love you  
Like I never ever loved no one before you  
Pretty pretty boy of mine  
Just tell me you love me too  
Oh my pretty pretty boy I need you  
Oh my pretty pretty boy I do  
Let me inside  
And make me stay right beside you
