When the world leaves you feeling blue (Frankie)
You can count on me
I will be there for you

When it seems all your hopes and dreams (Jay)
Are a million miles away
I will reassure you

We've got to all stand together
Good friends, there for each other
Never ever forget that
You've got me and I've got you so

Reach for the stars
Climb every mountain higher
Reach for the stars
Follow your heart's desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true

There's a place waiting just for you (Calvin)
It's a special place where you dreams all come true
Fly away (Calvin) Fly away (Frankie)
Swim the ocean blue (Calvin) Swim the ocean blue
Drive that open road
Leave the past behind you (Calvin and Frankie)

Don't stop, gotta keep moving
You're hopes have gotta keep bulding

Never, ever forget that
I've got you and you've got me so

Reach for the stars
Climb every mountain higher
Reach for the stars
Follow your heart's desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true

Don't believe in all that you've been told (Aaron)
The sky's the limit you can reach your goal
No one knows just what the future holds
There ain't nothing can't beat
There's the whole world at your feet, I said

Reach - climb every mountain (Frankie)
Reach - reach for the moon
Reach - follow that rainbow and your dreams will all
come true

Reach for the stars
Climb every mountain higher
Reach for the stars
Follow your heart's desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true
