Never gonna be a fool no more

Never thought I'd see the day you play me
But you're the kinda guy who lies to get along

So caught up in your cheating world
With diamond studded rings and pearls
Now you can't deny it and I wont be the fool no more

Don't you tell me
I'm the only one
Cos something tells me
There's another one who calls you baby
Not the kinda girl to take so lightly

I don't wanna be the fool no more
Never gonna be the fool no more

All the times you said to me I'll be there (I'll be there)
But you're the kinda boy who time is nearly done

So caught up in your cheating world
With diamond studded rings and pearls
Now you can't deny it and I wont be the fool no more

Don't you tell me
I'm the only one
Cos something tells me
There's another one who calls you baby
Not the kinda girl to take so lightly

I don't wanna be the fool no more
Never gonna be the fool no more

I don't wanna be the fool no more
Never gonna be the fool no more

Don't you tell me
I'm the only one
Cos something tells me
There's another one who calls you baby

Not the kinda girl to take so lightly

I don't wanna be the fool no more
Never gonna be the fool no more
I don't wanna be the fool no more
Never gonna be the fool no more
I don't wanna be
