we dont see much of pretty kitty round here anymore  
she's gone and got herself a whole new set of fancy  
friends  
she say's were too straight laced and two faced  
with our 2.5 and our mercedes benz

she hangs out at ryans with some tasty trouble  
drinking absolute and tonic way past 3  
squeezing those lemons and those juicy barmen  
wearing her love-bite like some kinda trophe

woahhh woahhh  
(chorus)  
kitty doesn't want a dinner party life  
she wont be  
a 24/7 wife  
dont tell her to grow up she'll tell you to shut up  
she just has to showoff and they say  
oooooh oooooh ooooh woah

she's so cool (la la la)

she's gone and found herself a tasty toyboy  
he's got the stamina of 42 men  
he reminds her of duracell bunny  
just keeps on going 'n' going 'n' going again

while we're at home having are tupperware party  
she's off having her own little party for 2  
its not like we're competition or nothing  
but i think i'd rather be her wouldn't you

woahh woahhh

(chorus)

shes so coool (la la la)  
(shes so cool)  
yeh shes so cool

ba da da da da da ba da da da da ba da da da da da  
ooooh woahh ooooh woahh

(chorus x2)

shes so cool (la la la)  
yeah shes so cool  
shes so cool

look at you girl  
yeh come on kitty

shes so cool (la la la)  
woahhh woahhh woahh yeh heh

shes so cool yeh  
she so cool (la la la)

repeat till fade
