The days have gone by so slowly
I'm feelin' kind of lonely
I was touched by you heart
And right from the start
I knew we were meant to be

Chorus

So, sorry baby
I've been a bit foolish
Things have been crazy
And I was foolish
I love you still
And with all my will
I admit to being wrong
But I will still stay strong
I'm sorry/ foolish

Can't forget about that day
The day you turned away
Now I can barely sleep at night
Give me the fright
I'm so sorry/ foolish

Chorus

So, sorry baby
I've been a bit foolish
Things have been crazy
And I was foolish
I love you still
And with all my will
I admit to being wrong
But I will still stay strong
I'm sorry/ foolish

Now the past has gone
Listen to me
Carry on
Just feel free
To hate me
I will understand
And if you don't like me
Then fine baby

Things have changed around
It's my sound
To the ground

Chorus
So, sorry baby
I've been a bit foolish
Things have been crazy
And I was foolish
I love you still
And with all my will
I admit to being wrong
But I will still stay strong
I'm sorry/ foolish
^ x2

So there you go
I admit it all
I'm sorry
Forget the story
I'm foolish
Get a new wish
Sorry/ Foolish
