All: Sun down, Friday twilight
in the big town
Party people getting rain down
Somewhere, baby, I know you're waiting to see this
vibrating

Stacey: The city's in a heat wave
Waiting for the sun shade
Hoping that the evening will chill down the streets

Frankie: And I'm a little hot too
cause I can only think of you
Hoping that tonight you'll find out what I like

All: Sun down, Friday twilight
in the big town
Party people getting rain down
Somewhere, baby, I know you're waiting to see this
vibrating
Sun down, air is cooling on the hot pounds
Love and first town getting rain down
Somewhere, baby, I know you're waiting to see this
vibrating

Stacey: I don't know if you see me
Don't know if you're not dreaming
Hoping for someone who can show you who you are

Frankie: Tonight I'm going find you
Finding on the rave behind you
Take you from this club land and send to the stars

All: Sun down, Friday twilight
in the big town
Party people getting rain down
Somewhere, baby, I know you're waiting to see this
vibrating
Sun down, air is cooling on the hot pounds
Love and first town getting rain down
Somewhere, baby, I know you're waiting to see this
vibrating

Jay: Bring back, back and forth

Stacey: Time, don't need to rush, we can make it right
cause we are meant to be, you and I
If only I would bring all around, all around

Calvin & Stacey: Say you're longing too, cause I will
move for you

All: Sun down, Friday twilight
in the big town
Party people getting rain down
Somewhere, baby, I know you're waiting to see this
vibrating
Sun down, air is cooling on the hot pounds
Love and first town getting rain down
Somewhere, baby, I know you're waiting to see this
vibrating
Sun down, Friday twilight
in the big town
Party people getting rain down
Somewhere, baby, I know you're waiting to see this
vibrating
