this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of you.  
this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of you.

here we are,  
back in the game,  
raise your hands,  
and feel the rave,  
got one thing you've got to try,  
making any money,  
making big boys cry,  
too bad that he's a liar,  
she's so cool but her hair's on fire,  
let nicko make you feel strong,  
we've gotta set it off till the break of dawn.

this is how we're doing when somebody wanna turn you  
down,  
you've got to keep on moving,  
don't let nobody get you, hit you, get you down to the  
ground,  
hear when we say.

this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of you.  
this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of you.

so come on everybody we'll get it together,  
the sun will shine in any kind of weather,  
just stop dreaming and change your feel,  
we come to party when we come around here.  
lisa lives she never lies,

simon say's no time to cry,  
doing what we like,

we can do it all night.  
This is how we do it when somebody wanna turn you  
down,  
you've got to keep on movin',  
don't let nobody get you, hit you, get you down on the  
ground,  
hear when we say.

this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of it.  
this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of you.

didibidibidibdura dabdibdabdura dibdura [x4]

i'm doing it for you,  
if you're doing it for me,  
baby we'll keep on moving,  
don't let em' get you down,  
just listen to the sound,  
hear when we say.

this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of you.  
this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of you.

fooling with your body.

can't get enough of you.

this is how we party,  
fooling with your body,  
come on everybody,  
can't get enough of you.

we can do wht we like  
we can do it all night.
