Like a nickelodeon  
loaded up with lots of tunes  
paper moons, paper junes to go  
fill the basket to the brim  
wait until the lights are dim  
set the stage and let the music flow

we're having a party  
a Picnic Party  
we're having a picnic picnic  
party

tell your neighbors, tell your friends  
enemies to make amends  
everybody's gettin in the groove  
boogie woogie hootchie coo  
honkytonky boogaloo  
let your body move, your body move

we're having a party  
a Picnic Party  
we're having a picnic picnic  
party

karma-copian  
dharma-utopian  
anahata shakti shakti  
manna manna sugar sugar  
honey honey lovey dovey  
psyche-electric pop-sidelic  
picnic

the dada and surrealists  
sippin wine and tappin time  
rubbin shoulders with the funky tribe  
mamas, papas, lamas too  
freaks'n geeks n'kooks n'crooks  
all come together in the vibe

we're having a party  
a Picnic Party

we're having a picnic picnic  
party

people thought the world was flat  
then they learned that it was square  
so they had to find another way to roll  
seize the day and celebrate  
eat and drink and merry be  
and savor every cherry in the bowl

we're having a party  
a Picnic Party  
we're having a picnic picnic  
party
