Sometimes the hate just flows right through me
Sometimes the hate gets built up inside
Sometimes the hate is slow colliding
It reminds me of how well you lied

This will all come back to you
This will all come back to you
This will all come back to you
This will all come back

(8 ways to decay)

Sometimes the hate is seething in me
Sometimes the hate burns me alive
Sometimes the hate is slow colliding
Forsaking, breath taking, mine

This will all come back to you
This will all come back to you
This will all come back to you
This will all come back

All poor & all welcome, all try to last the night
Try to make it through without another fight, fight

This will all come back to you
This will all come back to you
This will all come back to you
This will all come backâ€¦

This will ALL come back to YOU
This will ALL come back to YOU
This will ALL come back to YOU
This will ALL come back to YOU

(8 ways to decay)

To YOU

(8 ways to decay)

To YOU

(8 ways to decay)

To YOU
