If I close my eyes,  
Will I fall asleep  
And let go for a while  
Of secrets that I keep  
If I could talk the world down  
From all of its mistakes  
This would be easier to take  
This would be easier to take

If I have to die tonight  
Send me with godspeed  
If I have to die  
Let it be for you

If I have to die tonight  
Send me with godspeed  
If I have to die  
Let it be for you

Drying out the windows  
The rain keeps falling  
Holding time under shelter  
My time is calling  
I've done all I can do  
But I haven't done a thing  
I hope I can remember  
'Cause this would be easier to take

If I have to die tonight  
Send me with godspeed  
If I have to die  
Let it be for you

If I have to die tonight  
Send me with godspeed  
If I have to die  
Let it be for you

If I have to die tonight  
Send me with godspeed  
If I have to die

Let it be for you

If I have to die tonight  
Send me with godspeed  
If I have to die  
Let it be for you

(If I have to die tonight)  
(If I have to die tonight)  
(If I have to die tonight)  
(If I have to die tonight)
