It's over now, could you please remind me of how it starts?
All boarded up, unkept & all wasted, and it's all mine
I'd say you were my Judas, I'd say you were my pet
I'd say it was overrated, but I'd have to say it's about time
It's about time

I'm falling out of this railway reality
Who I'm supposed to be ain't who I am
So, murder me for my constant lack of consistency
Who I'm supposed to be ain't who I am

I folded out, I took the short cut
And it got me nothing
Dry in the mouth, unsure of my whole life
With the shutters closed

I'd say that we could make believe
I'd say that I could visit
I'd say it was it all has happened
Through some fleeting intervention
It's about time, it's about time

I'm falling out of this railway reality
Who I'm supposed to be ain't who I am
So, murder me for my constant lack of consistency
Who I'm supposed to be ain't who I am

It's about time to see you crawl
It's about time to see you fall
It's about time for you to care
It's about time for you to care
It's about time for you to care

I'm falling out of this railway reality
Who I'm supposed to be ain't who I am (Who I am)
So, murder me for my constant lack of consistency
Who I'm supposed to be ain't who I am

It's not who I am

It's not who I am
